This is it

Spin it on, don't stop
Take it back to the top
'Cos I've got another lotta love for you
I wanna spin it on, spin it on

Off to the flicks with the piddle in her nicks
To the fair with her hair in curlers
Their cousins didn't get all down to the pleasure dome
Their cousins didn't spend their night in an aircraft
hanger memories

Spin it on, don't stop
Take it back to the top
'Cos I've got another lotta love for you
That's why I wanna spin it on, spin it on, spin it on
Spin it on

Spin it on, don't stop
Take it back to the top
'Cos I've got another lotta love for you
That's why I wanna spin it on

Off to the fields with a missionary's zeal
For the life of the wife of the farmer
Their cousins didn't get all down to the billiard hall
Their cousins didn't spend their night on a pinball table
memories

Spin it on, don't stop
Take it back to the top
'Cos I've got another lotta love for you
That's why I wanna spin it on

Spin it on, spin it on, spin it on
I wanna spin it on, spin it on
I wanna spin it on, spin it on
Spin it on, don't stop
Take it back to the top
'Cos I've got another love for you
