Suns collapse,
Planets die.
Clouds will gather,
To darken sky.
But you and I,
We have nothing.

Salt has pepper,
Black has white.
Intrigue has boredom,
The day has night.
But you and I,
We have nothing.

What was hidden,
Will be revealed.
And what was found,
Must be concealed.
But you and I,
We have nothing.

Almost innocence,
Guilty of nothing.
Guilty of nothing.

What was hidden,
Will be revealed.
And what was found,
Must be concealed,
Cause you and I,
We have nothing.

Almost innocence,
Guilty of nothing.
Almost innocence,
Guilty of nothing.
Guilty of nothing.
