You look pretty,  
You look pretty,  
You look pretty smashed.  
I dig it, yeah, I like it,  
Yeah, I like it when you look like that.  
Your make-up dissolving,  
Your dress riding high.  
You gotta like your habit, oh my.

If we could just get our shit together,  
Junkies could rule.  
If we could just find some time with nothing to do.  
If we could just get our shit together,  
Hey! Hey! Junkies could rule.  
Nah nah nah nah-nah nah etc.

The drugs, the drugs,  
The drugs made me do it.  
But I've got wealth,  
Thank God I've got through it.  
But the drugs, the drugs,  
The drugs made me do it again.  
I'm in love.

Your house, while you work,  
Stealing all that you own.  
The TV and the VCR,  
Computer and your phone.  
All your possessions were not the goal,  
It's your sons and your daughters,  
Your self control.

If we could just get our shit together,  
Junkies could rule.  
If we could just find some time with nothing to do.  
If we could just get our shit together,  
Hey! Hey! Junkies could rule.  
Nah nah nah nah-nah nah etc.

The drugs, the drugs,  
The drugs made me do it.

But I've got wealth,  
Thank God I've got through it.  
But the drugs, the drugs,  
The drugs made me do it again.  
I'm in love.

Gotta get off, gotta get off, gotta get off etc.

If we could just get our shit together,  
Junkies could rule.  
If we could just find some time with nothing to do.  
If we could just get our shit together,  
Hey! Hey! Junkies could rule.  
Nah nah nah nah-nah nah etc.

The drugs, the drugs,  
The drugs made me do it.  
But I've got wealth,  
Thank God I've got through it.  
But the drugs, the drugs,  
The drugs made me do it again.  
I'm in love.

The drugs, the drugs,  
The drugs made me do it.  
But I've got wealth,  
Thank God I've got through it.  
But the drugs, the drugs,  
The drugs made me do it again.  
I'm in love.  
Nah nah nah nah-nah nah etc.  
The drugs!
