I'm sorry that she hurt you
I'm sorry that you cried
I'm sorry that she wounded
Your substantial pride
And I'm sorry
Sorry that it never worked out
But hey, what does these days?

I'm sorry she deceived you
I'm telling you the truth
She doesn't lie because she needs to
Only when it suits
And I'm sorry
Sorry that it came to this
But hey, that's the risk

She's too beautiful for you
She's too beautiful for you
No matter what you say or do
Or the hells you put her through
She'll be too beautiful for you
She's too beautiful for you

Do you really think she needs you
To cultivate her mind
Lift her out of the gutter
Or validate her life?
Well, I'm sorry
Sorry that she's nobody's fool
And hey, life is cruel

She, she let me see
What she could see
Her loving light
Led me through the dark
Pathways to her heart
To be deceived

She's too beautiful for you
She's too beautiful for you
No matter what you say or do
Or the hells you put her through

She'll be to beautiful for you

And I know this to be true
Yeah, I know this to be true
For there was once a time when she
When she was too beautiful for me

She's too beautiful for you
She's too beautiful for you
No matter what you say or do
Or the hells you put her through
She'll be to beautiful for you
She's too beautiful for you
