(Dominic Bugatti/Frank Musker)

Oho, my brother can boogie, my sister can rock
But we keep it in the family.
We all agree, we love that reggae like it used to be.
So if this is good enough for Stevie, good enough for
poor
I think it's good enough for me.
All that I want's a little reggae like it used to be.

We got reggae, we got reggae, we got reggae, we got
reggae.
All that we need, a little reggae like it used to be,
alright !

I had a reggae-pneumonia, I went to my doctor.
He said "I got just what you need
Three times a day, a little reggae like it used to be".

We got reggae, we got reggae, we got reggae, we got
reggae.
All that we need's a little reggae like it used to be.
(Reggae, reggae, reggae, reggae)

Well, we can reggae Beethoven, reggae is the thing to
see.
That's alright, but give me reggae like it used to be.

We got reggae (We got reggae), we got reggae (We
got reggae).
We got reggae (We got reggae), we got reggae (We
got reggae).
All that we need, a little reggae like it used to be.
We got reggae (We got reggae), we got reggae (We
got reggae).
We got reggae (We got reggae), we got reggae (We
got reggae).
All that we need, a little reggae like it used to be, oh
yeah.
We got reggae (We got reggae), we got reggae (We
got reggae).

We got reggae (We got reggae), we got reggae (We
got reggae).

All that we need, a little reggae like it used to be.
