He isn't much in the eyes of the world, he'll never make history.

He isn't much in the eyes of the world, but he is the world to me.

My dad.

Now here is the man, to me he is everything strong no he can't do wrong, my dad.

My dad.

Now he understands, when I bring him trouble to share ah he's always there, my dad.

When I was small I felt ten feet tall when I was by his side, and everyone would say that his son, and my heart would burst with pride.

My dad.

Oh I love him so, and I only hope that someday my own son would say, my dad.

Now here is the man.
