I see you beside me
it's only a dream,
a vision of what used to be
the laughter, the sorrow
pictures and time
fading to memories.

how could I ever let you go
is it too late to let you know

I tried to run from your side
but each place I hide
it only reminds me of you
when I turn out all the light
even the night
it only reminds me of you.. you...

I needed my freedom
that's what I thought
but I was a fool to believe
my heart lied while you cried
rivers of tears but I was too blind to see

everything we've been though before
now it means so much more

I tried to run from your side
but each place I hide
it only reminds me of you
When it turn out all the light
even the night
it only reminds me of you..

only you..
so come back to me
I'm down on my knees
can't you see..

how could I ever let you go
is it too late to let you know

I tried to run from your side
but each place I hide
it only reminds me of you
when it turn out all the light
even the night it only reminds me of you... you

Only reminds me of you
