Moses stood on the mountain
waiting for you to pass by
you placed your hand over his face
in your presence he wouldn't die

And all Israel saw your glory
and it shines down through the age
now you've called us to boldly seek your face

Show me your face, Lord
show me your face
And then gird up my legs that i might stand in this Holy
place
Show me your face, Lord
your power and your grace
i will make it to the end
if i could just see your face

David knew there was something more
than the ark of your presence
In a manger Messiah was born amongst kings and
some prisoners

And all Israel saw your glory
and it shines down through the age
now you've called us to boldly seek your face

Show me your face, Lord
show me your face
And then gird up my legs that i might stand in this Holy
place
Show me your face, Lord
your power and your grace
i will make it to the end
if i could just see your face (echo)

and i will make it to the end
if i could just see your face

i will make it to the end
Show me...your...face.
