He isn't much in the eyes of the world  
He'll never make history  
No, he isn't much in the eyes of the world  
But he is the world to me

My dad, now here is a man  
To me he is everything strong  
No, he can't do wrong, my dad

My dad, now he understands  
When I bring him troubles to share  
Oh, he's always there, my dad

When I was small I felt ten feet tall  
When I walked by his side  
And everyone would say "That's his son"  
And my heart would burst with pride

My dad, oh I love him so  
And I only hope that some day  
My own son will say  
"My dad now here is a man"
