if i'm not the crack of the cork  
and the shot in the arm across  
the room like a four alarm  
some kind of danger  
i look that way  
you try to be cool  
with little to say  
i can't be the calm  
your bottle of wine  
i have to be a quarter  
not a nickel and dimes  
i want to be the prayer  
answered when you meet me  
the pain the bat and the blood  
when you beat me

because you're  
infallible bombastic  
sonically elastic  
entergetic spastic  
explosive plastic  
sculpture cast it  
mclaren pass it  
emotional strastic  
egg first crack it  
first date mack it  
suitcase pack it  
eight ball rack it  
sadness don't mask it  
thoughts schoolastic  
glockenspiel blast it  
pack of butts hack it  
a hit song track it  
hatred whack it  
sorrow sack it  
wasted drink it  
if you thought it  
think it  
like pretty and pink kid  
battleship sink it  
big dream make a bid  
do it you just did

if i'm not the crack of the cork  
and the shot in the arm across  
the room like a four alarm  
some kind of danger  
i look that way  
you try to be cool  
with little to say  
i can't be the calm  
your bottle of wine  
i have to be a quarter  
not a nickel and dimes  
i want to be the prayer  
answered when you meet me  
the pain the bat and the blood  
when you beat me

because you're  
impossibly protected  
criminally respected  
soulfully connected  
chaotically hectic  
temptress naked  
candycoat bake it  
dune city rake it  
concerns placated  
you know you have to make it  
if it's not broken break it  
if it's stolen take it  
answer with a bayonet  
dime bag stash it  
accelerator mash it  
get it out like an exorcist  
sado like a masochist  
nine o thrash it  
five o smash it  
hotel room trash it  
coming down crash it  
like pistols and pink sid  
stir it up and drink it  
big leap make a bid  
do it you just did

if i'm not the crack of the cork  
and the shot in the arm across  
the room like a four alarm  
some kind of danger  
i look that way  
you try to be cool  
with little to say  
i can't be the calm

your bottle of wine  
i have to be a quarter  
not a nickel and dimes
