Amapola, lindisima amapola,  
Ser? siempre mi alma tuya sola.  
Yo te quiero, amada ni?a mia,  
Iqual que ama la flor la luz del d?a.  
Amapola, lindisima amapola,  
No seas tan ingrata y ?mame.  
Amapola, amapola  
C?mo puedes t? vivir tan sola.

Yo te quiero, amada ni?a m?a.  
Iqual que ama la flor la luz del d?a.

Amapola, lind?sima amapola,  
No seas tan ingrata y ?mame.  
Amapola, amapola  
C?mo puedes t? vivir tan sola.

### ENGLISH TRANSLATION

Poppy, pretty little poppy  
My soul will always be only yours  
I love you, my dear girl,  
As the flower loves day's light.  
Poppy, pretty little poppy,  
Don't be so hard and love me.  
Poppy, poppy  
How can you live so alone.

I love you, my dear girl.  
The same as the flower loves day's light.

Poppy, pretty little poppy,  
Don't be so hard and love me.  
Poppy, poppy  
How can you live so alone
