I've Thrown Away, I've Thrown Away Again, Tales That
Make Me,
I've Thrown Away, I've Thrown Away Again,
The Chance To Want To Change, I've Thrown Away,
I've Thrown Away Again, Standing All Alone,
I've Thrown Away, I've Thrown Away Againnn!

Eyes Wired Shut, We're Running Through My Brain, I'm
Pulling Back The Skin It Happens, We're Getting Loner,
Eyes Wired Shut, We're Running Through My Brain, It's
All The Same But In The End It Keeps Me Coming!

I've Thrown Away, I've Thrown Away Again, The Fear Of
Failing,
I've Thrown Away, I've Thrown Away Again, The Lies
That Make Me Sing,
I've Thrown Away The Chance To Make It
Righhhhhhttt!!!,
and I Wanna Be, And I Wanna See, I Wanna Make It
Back To Me!!!

Eyes Wired Shut, We're Running Through My Brain, I'm
Pulling Back The Skin It Happens, We're Getting Loner,
Eyes Wired Shut, We're Running Through My Brain, It's
All The Same But In The End It Keeps Me Coming! 3X
