Frustrated, degraded
Down before you're done
Rejection, depression
Can't get what you want

You ask me how I make my way
You ask me every where and why
You hang on every word I say
But the truth sounds like a lie

Live to win 'til you die
'Til the light dies in your eyes
Live to win take it all
Just keep fighting 'til you fall

Obsessive, compulsive
Suffocates your mind
Confusion, delusions
Kill your dreams in time

You ask me how I took the pain
Crawled up from my lowest low
Step by step and day by day
'Til there's one last breath to go

Live to win 'til you die
'Til the light dies in your eyes
Live to win, take it all
Just keep fighting 'til you fall

Day by day, kickin' all the way
I'm not cavin' in
Let another round begin, live to win
Yeah, live, yeah, win

Live to win 'til you die
'Til the light dies in your eyes
Live to win take it all
Just keep fighting 'til you fall

Day by day, kickin' all the way
I'm not cavin' in

Let another round begin, live to win
Live to win, live to win
Yeah, live, yeah, win
