Sometimes I wonder
How I made it this far
I've won some trophies
And I wear some ugly scars
Before I go to bed
I kneel and pray every night
I wonder if God's proud of me
I hope I'm doing this right

I know a lot of people
They appear to have it made
I battle with jealousy
Why can't I live that way?
Maybe they're just better than me
At playing the game of life
Maybe I need to change some things
I hope I'm doing this right

The more I learn the less I know
The more I change the more I grow
I pray the road I'm traveling on
Will lead me to the light
God I hope I'm doing this right

Most of my friends are from the wrong side of the track
Here's why I do not have a problem with that
Hank Williams was in the darkness
When he sang I saw the light
I believe there's good in everyone
I hope I'm doing this right

The more I learn the less I know
The more I change the more I grow
I pray the road I'm traveling on
Will lead me to the light
God I hope I'm doing this right
Oh I hope I'm doing this right
