have you ever had one of those days
when nothing goes right
your wife starts bitchen 'bout whatever it was she was
bitchen about last night
so you escape into the bathroom
just to sit there on your thrown
but after you finish your buisness the toilet paper's
gone

well it's a great day for me to whup somebody's ass
it's a bad day so you better get off my back
you might get cold cock if you cross my path
cuz it's a great day for me to whup somebody's ass

well i was runnin late for work
so i poured me some coffee to go
and just before i had a flat tire i spilled it all over my
clothes
when the highway patrollman pulled up i thought that
help was on the way
but when he saw the tire tool in my hand he shot me
with pepper spray

well it's a great day for me to whup somebody's ass
it's a bad day so you better get off my back
you might get cold cocked if you cross my path
cuz it's a great day for me to whup somebody's ass

when i finally made it to work
i was 15 minutes late
i told my boss about the flat tire
but he fired me anyway
so here i am out in the parking lot
just waiting by his Corvette
i'm gonna give him a goodbye present that he never
will forget

cuz it's a great day for me to whup somebody's ass
it's a bad day so you better get off my back
you might get cold cocked if you cross my path
cuz it's a great day for me to whup somebody's ass
