I found some soil  
I planted seeds  
I gave them water  
I let them breathe  
Some pretty flowers  
Sprouted up  
After all that  
It's just my luck

There's weeds in my roses  
There's weeds in my roses  
Don't need no fertilizer  
Or garden hoses  
Bring me a ho,  
There's weeds in my roses

She cooked my biscuits  
And collard greens  
She even told me I was her king  
But then she whispered "I'm goin' out."  
I think I know what that's about

There's weeds in my roses  
There's weeds in my roses  
Don't need no fertilizer  
Or garden hoses  
Bring me a ho,  
There's weeds in my roses

I can't sleep.  
I'm such a wreck.  
She's got a hickie on her neck.  
I'm getting worried,  
I'm gonna buy  
Some jezebel pesticide.

There's weeds in my roses  
There's weeds in my roses  
Don't need no fertilizer  
Or garden hoses  
Bring me a ho,

There's weeds in my roses
