Its paul wall...time to bounce back baby  
back on the Swishahouse..back on the team  
its goin' down its paul wall

I remember comin' up as just a youngster scrub  
when people think you ain't gonna make it, they don't  
show much love  
so I push and I shoved, and I stuggled and worked  
GOD granded me wit blesses but pain came first  
alot fake as patna, alot fraud as hoes  
alot so called friends, that took big swangers and  
vouges  
alot videos, and a whole lotta greed  
The bill still gotta get paid and my heart still gotta  
plead  
So I fled from the scene step my game up a notch  
now I'm to where I started, gettin' money from Watts  
GOD blessed me wit a second chance

Now T-farris be bookin me for shows from Idaho to  
France  
When you got a hit song, people ride ya dick  
But soon you #2 people tin to forget  
Man had a healthy win, even though my compentition  
cheated  
MPT came along and gave me the push I needed  
Who you was ready to ride and I needed that  
'cause most of my other homies seem to turn they back  
but I ain't trippin I moved on to bigger things  
and i'd bounced back N now I'm on the winnin' team  
baby its the Swishahouse....baby its the Swishahouse....  
baby its the Swishahouse
