Ay, say pretty girl, what it do?  
(Wussup?)  
You got a minute?  
If not you can borrow one of mine, I got two

I'm just sayin', I'm tryin'  
To see what's up with it  
I'm just sayin' tho'  
(What you sayin'?)

I'd be obliged if you step outside  
This fly guy is awaitin' love makin'  
The passenger side of my ride is vacant and  
If you can give me just a minute or two

Or just a few I'd like to introduce ya to somethin' new  
First off, I gotta say I'm not ya average type  
Why don't you get to know me better for the rest of the  
night  
I know you like the type of guys that be takin' you  
shoppin'

But you a independent woman, so I know you ain't  
boppin'  
Let's get it poppin', my hormones is drivin' me wild  
This slim waist and pretty smile, are just my style  
Why don't we kick it into second gear? Have no fear  
I'm in ya ear, the chick magnet is here

I don't know, what it is  
About you but I wanna ride with you  
I been watchin' you, watchin' me  
I wanna know, if I can spend a night with you

I really like how you do your thing  
It's so playa baby, what's yo name?  
I love the way that you do yo thing  
It's so playa and I wanna ride with you

It's more to me then just the 'Know what I'm sayin'?'  
A dime piece slayer it's hard work bein' a player  
And I don't really mean that in a literal sense

But if you listenin' to hard then it might not make sense

It don't make somebody a playa 'cause they cheat on  
they wife

Nah, bein' a playa is more like a way of life  
But enough with all this chattin', girl, let's make  
somethin' happen

When the chick magnet get to mackin' it's a fatal  
attraction

It was like, a chain reaction, when I looked in ya eyes  
I must admit that I'm intrigued by the size of them  
thighs

Compliments, I keep 'em comin'  
My resume' display how I keep 'em cummin'

I'm the chick magnet

I don't know, what it is  
About you but I wanna ride with you  
I been watchin' you, watchin' me  
I wanna know, if I can spend a night with you

I really like how you do your thing  
It's so playa baby, what's yo name?  
I love the way that you do yo thing  
It's so playa and I wanna ride with you

You might be marriage material  
But let's not jump the gun  
Just relax and what will come, will come  
All that winin', dinin's fine but I'm

Thinkin' along the lines of bump and grind  
I gotta one track mind and I really don't know  
If that's what you like me to think  
But the fact of the matter is I'm not quite what you think

I'll give you total access, if you come lay on my  
mattress  
And let me poke you like a cactus I'll deliver the  
package  
I like you, thick like molasses in your dubious maximus  
If you ride me I might wreck somethin' like a car  
accident

So tighten up on your backstroke  
And roll with a king  
'Cuz I'm the captain of the drill-team

The chick magnet

I don't know, what it is  
About you but I wanna ride with you  
I been watchin' you, watchin' me  
I wanna know, if I can spend a night with you

I really like how you do your thing  
It's so playa baby, what's yo name?  
I love the way that you do yo thing  
It's so playa and I wanna ride with you
