I'm Charles Barkley I ball till I'm hairless  
My sprite pink for breast cancer awareness  
When dogs barking loudest it mean they the scardest  
2 cups, 2 rubbers, you can never be too careless  
Grindin all day, I'ma get it till I perish  
I'm head to toe in hermes I bought it out in Paris  
In love with my money, it's something that I cherish  
3rd coast residence...

Boys skip the steps, they resume is scarce  
They don't mean what they saying, they just talking like  
some parrots  
Keeping it 100 these days is the rarest  
But I'm with the same crew dru cat and t faris

Fuck, fuck, fuck a hater, that might mean you  
Mind on my paper, I'ma get it then I'm through  
Hoes tend to over do me, cause I'm long overdue  
Out here, out here getting money you should try to get  
it too  
Fuck, fuck, fuck a hater, Fuck, fuck, fuck a hater,  
Fuck, fuck, fuck a hater, might mean you

Pull out the old school slab, time to rep again  
Crawling slow, I'm spotted like some leopard skin  
fifth wheels suplexing like I'm wrestling  
polyscience, I know all about the them presidents  
Riding dirty, courtesy of a Columbian  
I got the loud from my home boy this Mexican  
it came from the same place I got arrested in  
My hustle strong, money long as the old testament  
Just like some yes man, I got all the heads nodding  
Steady mobbing so these b\*tches wanna give me  
noggin  
They trying to touch the knots, I don't need massaging  
I'm running this sh\*t, even when I'm joggin

Fuck, fuck, fuck a hater, that might mean you  
Mind on my paper, I'ma get it then I'm through  
Hoes tend to over do me, cause I'm long overdue  
Out here, out here getting money you should try to get  
it too

Fuck, fuck, fuck a hater, Fuck, fuck, fuck a hater,  
Fuck, fuck, fuck a hater, might mean you
