[Chamillionaire:]

I'm a hustla, ladies man, of course a player
So say ya, prayers when I park the gator
Your neighbors, suspect some suspicious behavior
Ready to call your captain save her, to come save you
But Your not in danger 'cause I'm not a stranger
I just came for one night to entertain you
Came to your crib I know it be a shame to
Waste this evening tryin' to be a complainer
For Real.

[Chorus: Nicole]

If You Would've known 20 inches of chrome
Was really turnin' me on
Then we wouldn't be friends
It's just me alone & I'm gettin' it on
& I will never be wrong
My man won't know I'm Cheatin'
Never let you know how I feel on the phone
Cause I Don't want this to go over the deep end
So I'm afraid I gotta let you know...
That I Want To Get Sexual.

[Chamillionaire:]

I can pull up outside
Your crib in my ride
& tell my girl that I'll be at the studio lie
No one will know that I've even arrived
I'll show up at 4 & be out the door before 5
Let me get up inside
I wasn't talkin' about your draws I'm talkin' 'bout your
house
Because that's the first step after I get in the door
You already know, how the rest of the script go
Me & you on the floor, you niggas gone so I think we
can get kinky, drink D. Lick the lengthy
Sips of henny & soda got you so uh
Far from sober, I'm like man hold up
Your fine but I kind a feel you tryin' to turn me on
showin' designer panty liners
If I ever get the time or day then I'm a make you come

like the space after a comma for real.

[Chorus: Chamillionaire]

If I Would've known 20 inches of chrome
Was really turnin' you on
Then we wouldn't be friends
We would alone somewhere gettin' it on
I know it would be be wrong
& then you'd be cheatin'
Never let you know how I feel on the phone
We both got lovers at home but we would't tell them
Don't be afraid baby let me know...
If you want to Get Sexual.

[Paul Wall:]

Catch game I'm pitchin' to you come up out of the dark
Step up to the plate swing & hit you out of the park
Can you meet me out of the park
Let me seduce you
I'm kinda like Chris Tucker tryin' to get me some mushu
Let me introduce you... to pablo's peter
Take your shirt off then aye yi yi it's unbelievable.
Why you always actin' like I ain't 'bout nuttin'?
Girl you bluffin'

You a Turkey let me stick you my stuffin'
Wake you up out of your dreams... it ain't what it seems
Let me get inside your coffee & squirt my cream.
You understand?
Hear me out peep my slang
Quit actin' like you aren't attracted by the way that I
swang
I know the 20 inch things.. keep catchin' your eye
Don't let me catch you in a lie
Let me caress your thigh
Let me play the itsy bitsy spider up under your skirt
I wanna flirt but you don't wanna be hurt
You think I'm a jerk.

[Chorus: Nicole]
If You Would've known 20 inches of chrome
Was really turnin' me on
Then we wouldn't be friends
Just leave me alone & we won't gettin' it on
& I will never be wrong
& wouldn't be Cheatin'
Never let you know how I feel on the phone
Cause I Don't want this to go over the deep end
So I'm afraid I can let you know...
That I Want To Get Sexual.
