Whut It Dew?

Bling bling, bling bling, bling bling

John-John-Johnny dang watch froze

Johnny dang watch froze

(Ok, Swisha House) bling bling, bling bling, bling bling

Johnny dang watch froze (Paul Wall baby)

Johnny dang watch froze

I got that diamond ice up on my ears, in tha grill and on my watch

Neck and wrist off vvs, while all da cotton cats just watch

Sellin grills, workin wheels and workin deals all cross da globe

5 carat on one ear lobe, cause that's how Texas ballas roll

Neck froze, my wrist is cold, I'm iced out, and turnin heads

Hurtin feelins and settin trends, with shinnin grin I'm breakin bread

I'm off tha chain, I'm outta sight, I'm shinnin light all through da dark

I put on my chain in South Park, and you can see it in Heim Clark

Iced out by Johnny Dang, my wrist wear is offly throwed Chasin gwap, I'm screwed and chopped, with flip flop on candy load

Brandy wine on 84, drivin slow with opened trunk

Bangin screw, Whut It Dew?

I'm breakin off all of deez chumps

I got that TV Johnny watch on my hand patna,

I'm stoppin traffic when I smile I'm tha man patna

I got tha streets talkin every time I flash tha chain,

here I come put on ya shades

It's Paul Wall and Johnny Dang!

Flash tha wrist, got tha Johnny Dang watch froze

5 carat VV yella stone in my ear lobe

Flash tha wrist, got tha Johnny Dang watch froze

5 carat VV yella stone in my ear lobe

(Let's go) 20 carats on my neck, watch tha chain swang  
Wrist froze on dem hoes Mr. Johnny Dang  
I got them bedrocks, flinstones in da ear  
Neva fall, money tall, ball all year  
I'm in tha 5-50 coupe so I push quick  
Cranberry paint, rims tall as Bushwick  
I wear da crown in H-Town, my stompin ground  
Hataz face lit, tha bracelet, it weigh a pound  
Prolly commin down with Paul Wall grill gleamin  
Got a 8 of dat liquid gold we still leanin  
Platinum white, catch me rose or da yella watch  
Cause Mr. Johnny Dang take care of da jewelry box  
Getcha game right, ice tight or bag back  
Tha peice cash money, da Lac stay all black  
It's Don Ke baby, TF we on da mash  
Screwed Up Click homie, South Park and Swisha Blast

Flash tha wrist, got tha Johnny Dang watch froze  
5 carat VV yella stone in my ear lobe  
Flash tha wrist, got tha Johnny Dang watch froze  
5 carat VV yella stone in my ear lobe
