Paul Wall, I'm the people's champ  
It ain't easy bein' the people's champ, it's the new me'  
True, a lot of struggles I done been through and still  
goin' through  
Let me show you what it's like to be me

I'm not your average guy, I'm more than meets the eye  
I know, I'm friendly and fly but let me tell you why  
I was abandoned at an early age  
My daddy was a dope fiend, I ain't seen him since the  
second grade

I sing the same song, deadbeat dad, single mom  
I was always in the crawl, yet and still I was alone  
I kept my faith in God even in my younger days  
I gave my life to Christ, got down on my knees and  
prayed

And God answered our prayers and momma remarried  
All the burdens she carried, I must admit that it was  
scary  
Somehow I got a real man as my father figure  
Thangs started gettin' better for my momma and my  
sister

Pain took me from a boy to a man  
I knew, I'd make it to the end if I could stick to the plan  
People judge me off my music but they never even met  
me  
But I'd introduce myself if you'd let me

See I've been doin' this here for a while  
Eventually y'all boys gon' respect me dawg  
I'm Paul Wall until it's over I'ma ball 'til I fall  
I'm the greatest in a minute ch'all

Let me tell you if you knew me, yeah the true me  
Not the glamor and glitz that y'all do see  
I'm just a regular G, I gotta do me  
I'm 'bout to introduce y'all boys to the new me, c'mon

It's more to me than all this glamor and glitz

I spent my whole life broke, I'm just tryin' to get rich  
I kept it real all my life, I never stepped on toes  
But somehow my friends keep turnin' into my foes

My ex keep callin' me but I don't wanna talk to her  
So then she call the laws on me like I'm the one stalkin'  
her  
My new girl say I don't love her enough  
But all the hatin' friends jealous 'cause I love her too  
much

I'm drinkin' bottles of Patron tryin' to drink away my  
troubles  
But bein' an alcoholic only make thangs double  
People judge me off my music but they never even met  
me  
But I'd introduce myself if you'd let me

See I've been doin' this here for a while  
Eventually y'all boys gon' respect me dawg  
I'm Paul Wall until it's over I'ma ball 'til I fall  
I'm the greatest in a minute ch'all

Let me tell you if you knew me, yeah the true me  
Not the glamor and glitz that y'all do see  
I'm just a regular G, I gotta do me  
I'm 'bout to introduce y'all boys to the new me, c'mon

You think, you know me, mayne but you don't know me,  
mayne  
Just because you shake my hand don't mean that you  
My homey, mayne, it's people prayin' on my downfall  
And I can't understand why 'cause I show love to alla  
y'all

People are grateful for the favors you show 'em  
But when they need you for another one they still act  
like you owe 'em  
Everybody be takin' credit for somethin' they ain't do  
But you need to quit reachin' and stand on your own  
two

I always stayed humble, I never once changed  
I never got a ego or a big head 'cause of fame  
People judge me off my music but they never even met  
me  
But I'd introduce myself if you'd let me

See I've been doin' this here for a while  
Eventually y'all boys gon' respect me dawg  
I'm Paul Wall until it's over I'ma ball 'til I fall

I'm the greatest in a minute ch'all

Let me tell you if you knew me, yeah the true me  
Not the glamor and glitz that y'all do see  
I'm just a regular G, I gotta do me  
I'm 'bout to introduce y'all boys to the new me, c'mon

I'm Paul Wall, I'm the people's champ but it ain't easy  
bein' me  
I done put in my fair share of work,  
[Incomprehensible], for real  
Passin' out fliers at the club  
Doin' freestyles that don't go on mixtapes

I ain't understand it then but now I understand it  
It's a bigger picture than just what you think  
You gotta think outside the box and try to make it  
It's chess moves, not checkers baby
