i'm not the type that likes to think about the time i was  
broke  
and reminiss how everybody thought my rhyme was a  
joke  
i played it fair while completitors were buying their  
votes  
but thats life , i ain't cryin' I cope.  
they talk about i owe them something  
but they the ones holdin me back  
they the same people bringin me down  
thats why everytime i hop up on the mic it ain't no  
holdin me back

watch i'll show y'all the meaning of clown until i'm  
under the grind  
they gonna disrespect and slander my name it takes  
more than a strong mind to handle the fame  
i walk a narrow path in this broad skandless game.  
if you ain't got no unbrella don't stand in the rain  
it gets deep , boyz losin they life cause of they rappin
