I met this girl at the mall, she was shopping and such  
She had a Louie bag matching with the make up clutch  
Short hair, low cut, she ain't need no brush  
She had a smile angelic, make a grown man blush  
When she looked in my direction, built adrenaline rush  
So I, I approached with caution, I did not rush  
I turned my swag up and touch and made eye contact  
I told her Hello how ya doing? Where your boyfriend at?  
She replied she was solo, I told her that was loco  
She said her name was Coco, from somewhere by the  
â€¦  
I got to know her, I picked her brain like a photo  
Walked her to the car then we bounced like a pogo,  
stick  
4 months passed us by quick  
That girl was way more than just an one hit chick  
But little did I knew one day I'll be sick  
Cause I fell too fast and got tripped by a trip  
That's the way luv goes, that's the way luv goes  
That's the way luv goes, that's the way luv goes  
That's the way luv goes, that's the way luv goes  
Whoa, our love was on the road  
It began all slow start to spread like more  
She's the only one I hold when the weather was cold  
Everyday with my boo, no time for my bros  
Now my mama used to warn me about the thorns of the  
rose  
But I couldn't see the truth cause my eyes was closed  
Our love was getting bold holding hands out in public  
At the club together, hugged up hand cuffing  
I didn't give a damn what my home boys thought  
I was too deep in love at least that's what I thought  
But when I was said and done I was hurtingâ€¦  
I was shot G, she got around like 2Pac  
Facebook flicks, half naked on the yacht  
With some fool named Scot, â€¦  
Cheating from the jump she thought she never get  
caught  
I should have listened to the lessons that my og's  
talked  
But I forgot  
That's the way luv goes, that's the way luv goes

That's the way luv goes, that's the way luv goes  
That's the way luv goes, that's the way luv goes  
I hate you bitch, â€¦to zero  
That's what I get for trying to save her like a hero  
I'm here feeling weaker than 4 months of kimo  
Was off of my note  
So now my heart got repo  
The whole time we spent together was just a waste  
The things you go through for a woman's embrace  
No grace, man I'm such a disgrace  
My partners looking at me like a shit on my face  
I ain't joking, but they laughing like I'm â€¦  
I used to be player now I'm â€¦ with no emotions  
Drowning in â€¦ drinking and smoking  
I guess it's â€¦ when your â€¦ gets broken  
Now my heart frozen, my love got stolen  
So I'm poking everythang, that's the way that I'm  
coping  
She calling to apologize, bitch quit posing  
No lâ€¦ so fuck these hoesâ€¦  
That's the way luv goes, that's the way luv goes  
That's the way luv goes, that's the way luv goes  
That's the way luv goes, that's the way luv goes
