"Can You Heal Us"

Crystal words that hang so fine but none will stop us
falling
Pulling faster all the time, powerless to warnings
If you feel the hand of God, can you guide it holy man?
But you are only flesh and blood, waiting too for
judgment

Still saying!
Daddy don't weep, Momma don't cry
Everybody gets their time
Don't be sad, don't be blue, pray for me
I'll do the same for you

Split the father and the son, hand words to ease them
In the other raise of God, that ties my fear
If you have the hand of God, can you heal us holy man?
But you are only flesh and blood, waiting too for
judgment

Still saying!
Hang on tight, hang on strong
How much longer can this go on
Don't be sad, don't be blue
It's one more thing set to confuse

Daddy don't weep, Momma don't cry
Every fear must have it's time
Don't be sad, don't be blue, pray for me
I'll do the same for you

Can you bring the hand of God?
Can you stop the killing?
Get us back to hope and love
Never more be needed

Still saying!
Bloods gone bad, bad to worse
Worse to bad and back again
Don't be sad, don't be blue
It's one more thing sent to confuse

Momma don't weep, Daddy don't cry

Every fear must have it's time
Don't be sad, don't be blue
Pray for me I'll do the same for you
