Seems I've got to have a change of scene
'Cause every night I have the strangest dream
Imprisoned by the way things used to be
Left here on my own or so it seems
I've got to get out before I start to scream
'Cause someone's locked the door and took the key

You feelin' alright?
Yeah, I'm not feelin' too good myself
Baby, you feelin' alright?
I'm not feelin' too good myself

Well boy, you sure took me for one big ride
And even now I sit and wonder why
An' then I think of you and I start to cry
But I just can't waste my time and must keep dry
Gotta stop believing in all your lies
'Cause there's too much to do before I die

You feelin' alright?
I'm not feelin' too good myself, yeah
You feelin' alright?
Yeah, I'm not feelin' too good myself, yeah yeah

Don't get too lost in all I say
Though at the time I really felt that way
But that was then and now it's today
Oh, can't get out feeling, so I'm here to stay
'Til someone comes along to take my place
With a different name just a different face

You feelin' alright?
I'm not feelin' too good myself
You feelin' alright?
Yeah, I'm not feelin' too good myself

(Not too good myself, not too good myself)
You feelin' alright?
(Not too good myself, not too good myself)
I'm not feelin' too good myself
(Not too good myself)
You feelin' alright?

I'm not feelin' too good myself
