I'm invisible
Float across the floor
You can't even see me

Drift through walls and tables
And you still don't believe me
I'm not one to give up
But I feel I'm at a loss

To you I'm invisible
Pass through doors and windows
You won't even know it

There was a time
I thought every hair on my body was alive
And so it was

Now you can't even see the granted time
I'm not one to give up but I feel I'm at a loss

The world doesn't roll in a dark hall
I just feel the color drain from me
Hey, I'm tellin' you I'm become invisible

Invisible
I skim across the floor
You can't even see me

I make a joke and toss a line
Till no one there can see me alive
I don't want to give up
But I feel I'm at a loss
I'm invisible

Packing up, baby
Packing up, baby
Packing up, baby
Packing up, baby

Packing up, baby
Packing up, baby
Shaking up, baby

Packing up, baby
