Do you still feel the same way about it  
Like you always said you would?  
Or has time re-written everything  
Like you never dreamt it could?

Remember when we wanted to fly forever  
On a magic carpet ride  
Well, forever seems a long time  
Cutting us down in size  
No matter how hard we try

And I could see all I had done  
Just chasing dreams across the fields  
In the shadow of the sun

I plan to have it all while I'm still young  
And chase the fields across my dreams  
In the shadow of the sun  
In the shadow of the sun

Once upon a time, I might have told you  
But now nothing seems that plain  
However much we're changing  
There are some things the same  
And those same things still say

And I could see all I had done  
Just chasing dreams across the fields  
In the shadow of the sun

I plan to have it all while I'm still young  
And chase the fields across my dreams  
In the shadow of the sun  
In the shadow of the sun
