Ebb and flow, weak and strong
Ebb and flow, weak and strong
Ebb and flow, weak and strong
Ebb and flow, weak and strong

Ebb and flow, weak and strong
Ebb and flow, weak and strong
Ebb and flow, weak and strong
Ebb and flow, weak and strong

Down watery steps
To the oceans roar
Team of wild horses
Play to thunderous applause

What is my meaning?
I try to fathom out
But it's a murky world down there
So I turn around and just swim instead

Down watery steps
To the oceans roar
Team of wild horses
Play to thunderous applause

What is my meaning?
I try to fathom out
But it's a murky world down there
So I turn around and just swim instead

Ebb and flow, weak and strong
Ebb and flow, weak and strong
Ebb and flow, weak and strong
â€¦!
