My name is Tallulah
My first rule of thumb
I don't say where i'm going
Or where i'm coming from
I try to leave a little reputation behind me
So if you really need to
You'll know how to find me
My name is Tallulah
I live till i die
I'll take what you give me
And i won't ask why
I've a lot of friends
In some exotic places
I don't remember names
But i remember faces
*Lonely
You don't have to be lonely
Come and see Tallulah
We can chase your troubles away
If you're lonely
You don't have to be lonely
When they talk about Tallulah
You know what they say
No one south of Heaven's
Gonna treat you finer
Tallulah had her training
In North Carolina
My name is Tallulah
And soon i'll be gone
An open invitation
Is the road i'll travel on
I'll never say goodbye
Because the words upset me
You may forgive my going
But you won't forget me
*Repeat
