Just an old fashioned love song
Playing on the radio
And wrapped around the music is the
Sound of someone promising
They'll never go
You'll swear you've heard it before
As it slowly rambles on and on
No need in bringing 'em back
Cause they're never really gone

Just an old fashioned love song
Coming down in three part harmony
That's just an old fashioned love song
One I'm sure they wrote for you and me

To weave our dreams upon
And listen to each evening
When the lights are low
To underscore our love affair
With tenderness and feeling
That we've come to know
You'll swear you've heard it before
As it slowly rambles on and on
No need in bringing 'em back
They've never really gone

*Just an old fashioned love song
Coming down in three part harmony
That's just an old fashioned love song
One I'm sure they wrote for you and me
* repeat
