Our love is an old love  
It's older than all our years  
I have seen in strange young eyes  
Familiar tears  
We're old souls in a new life baby  
They gave us a new life  
To live and learn  
Some time to touch old friends  
And still return  
Our paths have crossed and parted  
This love affair was started  
Long, long ago  
This love survives the ages  
In its story lives are pages  
Fill them up, may ours turn slow  
Our love is a strong love, baby  
We give it all  
And still receive  
And so with empty arms  
We must still believe  
All souls last forever  
So we need never fear goodbye  
A kiss when I must go  
No tears, in time, we kiss hello
