Ocean Child
Come now home
Holy wonder
Wholly one

Ancient song
Call me home
Ave Maris
Ave Om

Borne on the sound of the sea in my blood
Washed in the waters that carry me home
Filled with the glow of the light of my spirit

Ocean Child
Come now home
Holy wonder
Wholly one

Ancient song
Call me home
Ave Maris
Ave Om

Let me flow without time
Let me rest from my sleep
Let me see in the light
Let me sound in the deep
Let me soar on the silence
Of the Ancient Voice

I am Sea
(Let me flow in your spirit)
I am Sun
(Let me rise in your morning)
I am Moon
(Let me turn in your sky)
I am One
(Ave Om)

Borne on the sound of the sea in my blood
Washed in the waters that carry me home

Filled with the glow of the light of my spirit

Ocean Child
Come now home
Holy wonder
Wholly one

Ancient song
Call me home
Ave Maris
Ave Om

Come now home
(Come now home)
Come now home
(Come now home)

Come now home
(Come now home)
Come now home
(Come now home)

Come now home
(Come now home)
(Come now home)
(Come now home)
