He's a coldhearted snake, girl
Look into his eyes
He's been tellin' lies

He's a lover boy at play, girl
He don't play by the rules
Girl don't play the fool, no

You're the one givin' up the love
Anytime he needs it
But you turn your back and then he's off
And runnin' with the crowd

You're the one to sacrifice
Anything to please him
Do you really think
He thinks about you when he's out

He's a coldhearted snake, girl
Look into his eyes
He's been tellin' lies

He's a lover boy at play, girl
He don't play by the rules
Girl don't play the fool, no

How come, how come he can, he can
Tell a, tell a, you're a, you're a
Always, always number
Number one without a doubt

When a, when a, he is, he is
Always, always squirming, squirming
Like a little snake under a every a rock

You've been, you've been workin'
Workin' on the, on the love
And he's been only, only playing
Undercover all the while

Take a, take another
'Nother look into his eyes

And you will only see a reptile

It was only late last night
He was out there sneakin'
Then he called you up to check
That you were waiting by the phone

All the world's a candy store
He's been trick or treatin'
When it comes to true love, girl
With him there's no one home

He's a coldhearted snake, girl
Look into his eyes
He's been tellin' lies

He's a lover boy at play, girl
He don't play by the rules
Girl don't play the fool, no

How come, how come he can, he can
Tell a, tell a, you're a, you're a
Always, always number
Number one without a doubt

When a, when a, he is, he is
Always, always squirmin', squirmin'
Like a little snake under a every a rock

You've been, you've been workin'
Workin' on the, on the love
And he's been only, only playing
Undercover all the while

Take a, take another
'Nother look into his eyes
And you will only see a reptile

You could find somebody better, girl
He could only make you cry
You deserve somebody better, girl
He's cold as ice

Girl, don't play the fool
Girl, don't play the fool

He's a coldhearted snake, girl
Look into his eyes
He's been tellin' lies

He's a lover boy at play, girl

He don't play by the rules
Girl don't play the fool, no

How come, how come he can, he can
Tell a, tell a, you're a, you're a
Always, always number
Number one without a doubt

When a, when a, he is, he is
Always, always squirming, squirming
Like a little snake under a every a rock

You've been, you've been workin'
Workin' on the, on the love
And he's been only, only playing
Undercover all the while

Take a, take another
'Nother look into his eyes
And you will only see a reptile
