All I Wanna Do Is Stay Right Here On The Floor
Get Lost In The Night And Dance Like There's No
Tomorrow
Don't Care About The Sunrise—
Someone Please Just Hit The Lights
All I Wanna Do Is Dance Like There's No Tomorrow

Today Just Wasn't My Day
Everyone's Gettin' Me So Fed Up
I Gotta Find A Way
I Know What Can Make Me Feel Better
Steppin' Out In My Best
Lookin' Hotter Than Ever
Wherever The Party Is
That's Where I'll Be In A Second

Oh I'm So Ready To Move My Body
Forget About All My Problems
When I Hear My Song
I'm Gonna Lose Control
Hey Here I Go

All I Wanna Do Is Stay Right Here On The Floor
Get Lost In The Night And Dance Like There's No
Tomorrow
Don't Care About The Sunrise—
Someone Please Just Hit The Lights
All I Wanna Do Is Dance Like There's No Tomorrow

I'm Lovin The Atmosphere
Feels Like I'm Floatin' In Heaven
The Music's All In My Ear
Takin' Over Me, My Heart's Racin'
Feelin' So Hollywood
How I Got Everybody Starin'
Their Eyes Are The Cameras
And I'm Lovin' All The Attention

Get Up, 'Bout To Move My Body
Forget About All My Problems
They're Playin' My Song
I'm Gonna Lose Control

Hey Here I Go

All I Wanna Do Is Stay Right Here On The Floor
Get Lost In The Night And Dance Like There's No
Tomorrow
Don't Care About The Sunrise—
Someone Please Just Hit The Lights
All I Wanna Do Is Dance Like There's No Tomorrow

Please DJ, Don't Say It's The Last Call
Cause I Know What It Means, And I Don't Want You To
Play No Slow Song
I'm Still Buildin' The Nerve To Talk To That Guy
Just Give Me Another Song And Make It Right

(Dance Break)

All I Wanna Do Is Stay Right Here On The Floor
Get Lost In The Night And Dance Like There's No
Tomorrow
Don't Care About The Sunrise—
Someone Please Just Hit The Lights
All I Wanna Do Is Dance Like There's No Tomorrow

All I Wanna Do Is Stay Right Here On The Floor
Get Lost In The Night And Dance Like There's No
Tomorrow
Don't Care About The Sunrise—
Someone Please Just Hit The Lights
All I Wanna Do Is Dance Like There's No Tomorrow
