Spinnin' to this sound
Like a record going round
Must be the music
We could be making out
But all I really want right now
Is just the music
I'm only here to dance
I'm not looking for romance
So watch me work it
I gotta get a fix
Of my damn (mega mix
So keep it groovin'

I'm just here for the music
I really didn't mean to turn you on (on)
Boy you know (I like the way you move it
So if you wanna wait for me
I'm gonna need someone to take me home (home)

I'm diggin' on your scene (
But music gets the best of me
I'm so addicted
No need to save my seat
'Cause I'm not gonna miss a beat
I wanna freak it
Your conversation's fine
But save it for some other time
Not while I'm dancing
Get with my gangster beat (
Do you know what I mean
I wanna do it

I'm just here for the music
I really didn't mean to turn you on (on)
Boy you know (I like the way you move it
So if you wanna wait for me
I'm gonna need someone to take me home

I'm just here for the music
I really didn't mean to turn you on (on)
Boy you know (I like the way you move it
So if you wanna wait for me

I'm gonna need someone to take me home

I really didn't mean to turn you on (on)

I'm just here for the music

Music

Music

I really didn't mean to turn you on

Music (music)

Music

So if you wanna wait for me

I'm gonna need someone to take me home

I'm just here for the music

I really didn't mean to turn you on (on)

Boy you know (I like the way you move it

So if you wanna wait for me

I'm gonna need someone to take me home
