Look out my window  
Rain comin' down  
Waitin' at the corner  
Kids all wearin' their frowns  
Just another Monday  
Goin' to school  
Till you come along  
Kickin' your heels  
Lookin' my way- makin' me feel real

You made me blush...  
You were my high school crush...(ahhhhh)

Billy got married  
Lizzy left town  
Barrie went to New York City  
She's dancin' around  
You went off to college to conquer the world  
I stayed home  
Thinkin' 'bout you  
Now you're back, what am I gonna do?

You made me blush...  
You were my high school crush...(ahhhhh)  
Now give me back my dream  
Ooh, how the tables turned  
I see your eyes  
And I feel the burn

One thing I know for sure  
They'll never find a cure  
For what I got for you  
My love is true

Now you're back  
Kickin' your heels  
Lookin' my way- makin' me feel real

You made me blush  
But that was high school (yea)

I loved you so much

But time is changing all the rules

Enough is enough

This ain't no high school crush

This time now I'm ready to be with you

This ain' no high school crush
