Brokenhearted, unsatisfied
I can't help it, I can't get you off my mind
She was so wrong to treat you bad
She didn't know you were the best she'd ever had

If I were yours and you were mine
I'd make sure that I could please you all the time

I'd be here waiting
I'd treat you right
If I were your girl
I'd keep you up all night

Appreciate you
There's so much more
I would give you
If I were your girl

So frustrated, what do I do
I get excited when I'm standing next to you
Does she love you, is she unkind
I don't know why you're there 'cause something isn't
right

All the wonders of the world
Are the things that I would give if I were her

I'd be here waiting
I'd treat you right
If I were your girl
I'd keep you up all night

Appreciate you
There's so much more
(So much more)
I would give you
If I were your girl

I never felt this way inside
It's so hard, so very hard to hide
'Cause I can see that you don't receive
The things you deserve

I'd give you so much more
If I were your girl

I'd be here waiting
I'd treat you right
If I were your girl
I'd keep you up all night
(Keep you, keep you up all night)

Appreciate you
There's so much more
(So much more)
I would give you
If I were your girl
(If I were your girl)

I'd be here waiting
(If I were your girl)
If I were your girl

(If I were your girl)
Oh baby
I'd give you so much more
If I were your girl
