Oh, rock me

Oh, knock me

Oh, rock me

Oh, knock me

Oh, rock me

Oh, knock me

Oh, rock me

Oh, knock me

Oh, rock me

Knock me

Knock me

Knock me

Knock me

Is he looking at me?

'Cause I'm looking at him

Is he looking at me?

I was in love the moment

That I saw you

I followed you through the crowd

And I almost lost you

I was dying to tell you

But scared of your reaction

But I can't hold back

Because I'm rushed with this thing called passion

You've got me knocked out turn me inside out

It's you that makes my heart beat

Hey, you've got me knocked out, baby there's no doubt

You swept me off of my feet

I walked your way hoping that

Maybe you noticed

(Hi, hello there)

I don't want to move to fast

I don't want to blow it

Never did I think
Love could be so amazing
But the things that you're making me do
It's driving me crazy

You've got me knocked out turn me inside out
It's you that makes my heart beat
You've got me knocked out, baby there's no doubt
You swept me off of my feet

I want us to get closer, boy I wanna be
Startin' somethin' with you, baby
My heart is steady knockin' boy you've got my body
rockin'
Caught blow-by-blow, love T.K.O.

Knock me
Rock me
Knock me
Rock me

Knock me
Knock me
Knock me

Knocked out turn me inside out
It's you that makes my heart beat
You've got me knocked out, baby there's no doubt
You swept me off of my feet

I want us to get closer, boy I wanna be
Startin' somethin' with you
My heart is steady knockin' boy you've got my body
rockin'
Caught blow-by-blow, love T.K.O.

Baby
Rock me

Is he looking at me?
'Cause I'm looking at him
Is he looking at me?

You've got me knocked out turn me inside out
It's you that makes my heart beat
You've got me knocked out, baby there's no doubt
You swept me off of my feet

You've got me knocked out
You've got me knocked out

You've got me knocked out turn me inside out
It's you that makes my heart beat
You've got me knocked out, baby there's no doubt
You swept me off of my feet

You've got me knocked out, baby there's no doubt
You swept me off of my feet
You've got me knocked out turn me inside out
You swept me off of my feet
