Wishin'  
Dreamin'  
What a fool?  
Wishin'  
Come on, come on  
Here we go  
Love song number nine  
With a vengeance, hah

Maybe tomorrow  
Maybe never  
One day you might keep a promise  
So tell me, I see you  
But Baby, where are you?  
I just don't know how I'm still in love with you  
What you do?  
I haven't got a clue  
I wish you would tell me  
Why, my

Foolish heart  
(Baby)  
Has got me into  
(Oh my)  
Foolish heart  
Got me into love again  
(Oh my)  
Foolish heart  
(Made me)  
Made me love you  
(Love you)  
My foolish  
My foolish heart  
Alright  
Okay

Maybe I'm wishin'  
Maybe I'm dreamin'  
For the way I used to feel 'bout love  
But tired of dreamin'  
It's you, I'm needin'  
I just don't know how I'm still in love with you

What you do?  
I haven't got a clue  
I wish you would tell me  
Why, my

Foolish heart  
(Baby)  
Has got me into  
(Ho oh)  
Foolish heart  
Got me into love again  
(Oh my)  
(Oh my)  
Foolish heart  
(Made me)  
Made me love you  
(Love you)  
My foolish  
My foolish heart  
Heart, hah

Wishin'  
Dreamin'  
With a vengeance  
With a vengeance  
Wishin'  
With a vengeance  
With a vengeance  
Wishin'  
With a vengeance  
With a vengeance  
Come on, come on  
Come on, come on

For the way I used to feel 'bout love

What you do?  
I haven't got a clue  
I wish you would tell me  
Why, my fool

It really ain't cool  
To show you  
What can I do but give you all my heart  
Really don't need a reason  
Ooh boy, what I'm feelin'  
You made me love you

Made me love you  
(Love you)
