Straight up now tell me
Straight up now tell me
Straight up now tell me
Straight up now tell me

Straight up now tell me
Do you really want to love me forever oh, oh, oh
Or am I caught in a hit and run?
Straight up now tell me
Is it gonna be you and me together oh, oh, oh
Are you just having fun?
Straight up now tell me

Do do you love me?
Do do you love me?
Do do you love me?
C'mon now, do do you love me?

Lost in a dream
I don't know which way to go
If you are all that you seem
Then baby, I'm movin' way too slow

I've been a fool before
Wouldn't like to get my love caught
In the slammin' door
How about some information, please

Straight up now tell me
Do you really want to love me forever oh, oh, oh
Or am I caught in a hit and run?
Straight up now tell me
Is it gonna be you and me together oh, oh, oh
Are you just having fun?

Straight up now tell me
Straight up now tell me
Straight up now tell me
Straight up now tell me

Time's standin' still
Waitin' for some small clue

I keep getting chills
When I think your love is true

I've been a fool before
Wouldn't like to get my love caught
In the slammin' door
Are you more than hot for me?

Or am I a page in your history book?
I don't mean to make demands
But the word and the deed go hand in hand
How about some information, please

Straight up now tell me
Straight up now tell me
Straight up now tell me
Straight up now tell me

Straight up now tell me
Straight up now tell me
Do you really want to love me forever oh, oh, oh
Or am I caught in a hit and run?
Straight up now tell me
Is it gonna be you and me together oh, oh, oh
Are you just having fun?

You are so hard to read
You play hide and seek
With your true intentions
If you're only playin' games
I'll just have to say
Bye bye bye, bye, bye, bye, bye, bye

Do do you love me?
Do do you love me?
Do do you love me?
Do do you love me?

Straight up now tell me
Straight up now tell me
Straight up now tell me
Straight up now tell me

Straight up now tell me
Straight up now tell me
Do you really want to love me forever oh, oh, oh
Or am I caught in a hit and run?
Straight up now tell me
Is it gonna be you and me together oh, oh, oh
Are you just having fun?

Straight up now tell me
