cold is the sun
as she wonders
where he's gone
far away
will they meet again one day

future future future

cold is the sun
as she wonders
where he's gone
far away
will they meet again one day
will they meet again one day
will they meet again one day

future
its the time to think
future i
ts the time
to think about the past

will they meet again one day

will they meet..

will they meet again one day
