There's something in the air tonight  
A feeling that you have that could change your life  
There's something burning up inside  
I reach out for you and our hearts collide

With heart on fire I reach out to you tonight  
With heart on fire I reach out to you tonight  
Heart on fire I reach out to you tonight  
With heart on fire I reach out to you tonight

With heart on fire I reach out to you tonight  
With heart on fire I reach out to you tonight  
With heart on fire I reach out to you tonight  
With heart on fire I reach out to you tonight

We're searching for a love alive  
We're drowning in the silence as we walk the night  
Your hand is out and brushes mine  
A moment that is frozen as we hang in time

With heart on fire I reach out to you tonight  
With heart on fire I reach out to you tonight  
With heart on fire I reach out to you tonight  
With heart on fire I reach out to you tonight

With heart on fire I reach out to you tonight  
With heart on fire I reach out to you tonight  
With heart on fire I reach out to you tonight  
With heart on fire I reach out to you tonight

With heart on fire I reach out to you tonight  
With heart on fire I reach out to you tonight
