Yeah
Yeah
Paula
Danger

I might be your young girl but I know how to have fun
I got them boys chasing me trying to make me the one
When I'm out shopping it's like having a gun
Whatever I wanna get, got them boys caught up

I know I'm a hot hot shorty
But you gotta slow down (slow down)
You don't know me (don't know me)
If you in a hot hot hurry
You gotta go now (go now), back up off me (off me)

Ooh, I got them going crazy you see
Uh ooh, head over heels for me ooh
Uh ooh, weak in the knees for me boy
Uh ooh, 'cause you are so damn easy
'Cause you are so damn easy
'Cause you are so damn easy

Ooh, I much rather than you think that I act like you
know
Just because I'm a teen it don't mean that I'm slow
I think you're a cutie boy, but you're turning me on
Sometimes you gotta play hard to get and then it's on

I know I'm a hot hot shorty
But you gotta slow down
You don't know me
If you in a hot hot hurry
You gotta go now, back up off me

Ooh, I got them going crazy you see
Uh ooh, head over heels for me ooh
Uh ooh, weak in the knees for me boy
Uh ooh, 'cause you are so damn easy

'Cause you are so damn easy
'Cause you are so damn easy

One day
Well, see baby tonight is the night
And them girls are on me like white on right
And I get them to the crib late two or one
I'm already high, now you don't want
Take you to the gym or the sunset, you won't come
Or sit with my friends but you won't go
Baby, haven't I taken you to and from
How you slipped your little wrist until you're blue and
numb
Um, you didn't warn about your mama
Young right, tell me my turner
If I were you, I'd tell your homies I holla
If your man ain't me, why bother
I go by the name Carter, I got more flex than tartar
I've been shaking up them charts on the charter
Number one spot, Lil' Wayne and Paula

Ooh, I got them going crazy you see
Uh ooh, head over heels for me ooh
Uh ooh, weak in the knees for me boy
Uh ooh, 'cause you are so damn easy

Uh ooh, I got them going crazy you see
Uh ooh, head over heels for me ooh
Uh ooh, weak in the knees for me boy
Uh ooh, 'cause you are so damn easy (no no no no no)
'Cause you are so damn easy
'Cause you are so damn easy

Don't be so damn easy
Don't be so damn easy
