You say your text was a mistake
Must be drinking up late
Cause its 5 o'clock in the
moring,
Damn i should've put my
phone on vibrate
You saying that you miss me
You send a little video
I will not believe you
But i know you putting on a show
Fuck that bullshit you where always on
I put my heart through it boy you know you're
wrong
I said fuck that bullshit you can save me that
And when i'm not around you can play this track
oohhh
I mean, i'm just saying i can do better
Better by myself that when we were together
i'm just saying i can do better
Ooohh baby i'm the best, i can do better
Ooohhhh,oohhh oooohhhoa
People tell me you got new chick
"haha" i just laugh it off
Cause you're not even my boyfriend
Nooooooooo
Talking like i give a fuck,ha
no not at all
i'll be best you never had best you neva had
I said fuck that bullshit you where always on
I put my heart through it boy you know you're
wrong
I said fuck that bullshit you can save me that
And when i'm not around you can play this track
oohhh
I mean, i'm just saying i can do better
Better by myself that when we were together
i'm just saying i can do better
Ooohh baby i'm the best, i can do better
