What? What? What?
Big girl true

What? What? What?
Big girl true

What? What? What?
Big girl true

You got my heart racing

When i met you
You were ready to ride
And no i cant deny
It felt good inside
Youre a hot boy, youre a pro
But i gotta way to go
youre saying that is love
Tell me how would i know

I said "Let's slow it down"
You waited patiently
The chicks were all on you
But you were all on me
Thats what did it to me
I know you well and truly
Mine mine mine
So take me across the line

(Hey)doo doodoo
Cuz now i feel the way you say you do
(Lets take off the brakes)
The lights are changing up for me and you
(Lets take off the brakes)
Got my heart racing
I had you chasing
Theres no more waiting tonight
I know i used to think about love
I always stop for a little showing off
(Taking off the brakes)
And no more delaying
I guess what im saying

Is "my heart is racing tonight"

Maybe im wrong
Maybe maybe im right
But theres one thing i know
That is time to decide
Theres is nothing as beautiful
as love when you let it go
Dont know much
But i know what i know

And sure i got my fears
It couldnt not been this

But boy im ready now
To switch it up a bit
You really do it to me
I know us well and truly
Each and everytime
Im ready to cross the line

(Hey)doo doodoo
Cuz now i feel the way you say you do
(Lets take off the brakes)
The lights are changing up for me and you
(Lets take off the brakes)
Got my heart racing
I had you chasing
Theres no more waiting tonight
I know i used to think about love
I always stop for a little showing off
(Taking off the brakes)
And no more delaying
I guess what im saying
Is "my heart is racing tonight"

Some say love is lyrical lyrical
But for me is critical critical
I just wanna make it physical, spiritual
Dont you wanna do this right?

(Cuz now Hey)doo doodoo
Cuz now i feel the way you say you do
(Lets take off the brakes)
The lights are changing up for me and you
(Lets take off the brakes)
Got my heart racing
I had you chasing
Theres no more waiting tonight
I know i used to think about love
I always stop for a little showing off

(Taking off the brakes)
And no more delaying
I guess what im saying
Is "my heart is racing tonight"

(aaaaa ha ha ha)
What what what?
We're in love
Lets take the brakes off now
And we'll get by somehow
Lets take
The brakes
Off
Now
