Ohhh.
Oh-Ohhh
Yeah-yeah

Every time I think about you,
You just drive me crazy
I can't get you off of my mind
Every time I think about
What you done for me baby
I miss you with every sec that goes by
Now that you're gone
I can see that I was wrong

So:
What would it take
To get my baby back into my arms

What would it take
To have you here again
Right by my side
Cause I'm missin' you
I'm missin' your smile, your touch
You're everything that drives me wild
Nobody can make me feel the way you do
Without you I'm lost
You're always in my thoughts

So:
What would it take
To get my baby back into my arms

Every time I think about you,
You just drive me crazy
I can't get you off of my mind
Every time I think about
What you done for me baby
I miss you with every day that goes by
Now that you're gone
I can see that I was wrong

So:
What would it take
To get my baby back into my arms

I know I made some mistakes
In this relationship
I wanna make this thing right
Don't wanna fuss and fight
Don't argue in the night:
There is no way in this world
I can repay you for the pain I brought:
I wanna change this now
And bring you back in my arms

So come back
I won't leave you again
No matter what I do
You're all I seem to think off
Baby:
I miss you again
No matter what I do you're all I seem to think of

Every time I think about you,
You just drive me crazy
I can't get you off of my mind
Every time I think about
What you done for me baby
I miss you with every day that goes by
Now that you're gone
I can see that I was wrong
So:
What would it take
To get my baby back into my arms

Oh-oh
Need you again
