-RONAN-

It's amazing how you can speak right to my heart
Without saying a word, you can light up the dark
Try as I may, I can never explain
What I hear when you don't say a thing

Chorus

The smile on your face lets me know that you need me
There's a truth in your eyes saying you'll never
leave me

The touch of your hand says you'll catch me where
ever I fall
You say it best, when you say nothing at all

Chorus

The smile on your face lets me know that you need me
There's a truth in your eyes saying you'll never
leave me

The touch of your hand says you'll catch me where
ever I fall
You say it best, when you say nothing at all

Chorus

The smile on your face lets me know that you need me
There's a truth in your eyes saying you'll never
leave me

The touch of your hand says you'll catch me where
ever I fall
when you say nothing at all
