Don't Say Goodbye
Performed by Paulina Rubio

Don't say goodbye
The circle of the moon
The rising of the sun
We'll be together soon
Our story just begun
Time will bring us near
I'll never be to far
Oh baby, don't you fear
I'll always be right where you are

You can dry my tears
But you can't stop the pain inside
I'm trying to hide
I still hold you near
I know I have to pull away
You know that I can't stay

All of my life
No one has touched me the way that you do
Wherever I go
I know that the road would lead back to you

So don't say goodbye
Don't turn away
It doesn't have to end today
Don't say goodbye
Cause I will love you
Till the end of time
Don't say goodbye
I know we'll be apart
We'll see the same stars
Just close your eyes
And I'll be where you are
Don't say goodbye
Cause if you say that word
My heart won't survive
Don't say goodbye

Can you feel my love inside

The way that my body's sighing
With your every breath
I try to memorize
Every move you're making
So I will never forget

The way that you feel
Whenever your heart is beating with mine
Wherever I go
I'll keep my memories of you inside

So don't say goodbye
Don't turn away
It doesn't have to end today
Don't say goodbye
Cause I will love you
Till the end of time
Don't say goodbye
I know we'll be apart
We'll see the same stars
Just close your eyes
And I'll be where you are
Don't say goodbye
Cause if you say that word
My heart won't survive
Don't say goodbye

The circle of the moon
The rising of the sun
We'll be together soon
Our story just begun
Time will bring us near
I'll never be to far
Oh baby, don't you fear
I'll always be right where you are

Don't say goodbye
No me digas adios
Quedate aqui conmigo
Don't say goodbye
Adios no es un palabra de nosotros
No te vayas
Quedate aqui conmigo

So don't say goodbye
Don't turn away
It doesn't have to end today
Don't say goodbye
Cause I will love you
Till the end of time
Don't say goodbye

I know we'll be apart
We'll see the same stars
Just close your eyes
And I'll be where you are
Don't say goodbye
Cause if you say that word
My heart won't survive
Don't say goodbye

So don't say goodbye
Don't turn away
It doesn't have to end today
Don't say goodbye
Cause I will love you
Till the end of time
Don't say goodbye
I know we'll be apart
We'll see the same stars
Just close your eyes
And I'll be where you are
Don't say goodbye
Cause if you say that word
My heart won't survive
Don't say goodbye

Don't say goodbye
Don't say goodbye
Don't say goodbye
Don't say goodbye
