Na na na na... hahaha
Na na na na...

Tick, I'm a bomb turn me on put me in the zone
Got my hands in the sky right where they belong
Breach on the wall, falling down I'm about to blow
Feeling back, feeling thriller, feeling every song

I don't wanna do nothing but dance tonight
Feel the rhythm in my blood
Hit me with the bass and please control my mind

Up, DJ turn it up
Loud loud loud loud loud loud loud loud
Don't turn it down down down
Up, DJ turn it up
Loud loud loud loud loud loud loud loud
Don't turn it down down down

Up, DJ turn it up
Loud loud loud loud loud loud loud loud
Don't turn it down down down
Up, DJ turn it up
Loud loud loud loud loud loud loud loud
Don't turn it down down down

Ta ta ta ta ta da da

Sick, yes I admit, I admit I'm out of control
Seven days of the week, yeah I play the role
Blink, he get kissed, get me fix, get your sexy on
Right through the lights on the beat of my favorite song

I don't wanna do nothing but dance tonight
Feel the rhythm in my blood
Hit me with the bass and please control my mind

Up, DJ turn it up
Loud loud loud loud loud loud loud loud
Don't turn it down down down
Up, DJ turn it up
Loud loud loud loud loud loud loud loud

Donâ€™t turn it down down down

Up, DJ turn it up

Loud loud loud loud loud loud loud loud

Donâ€™t turn it down down down

Up, DJ turn it up

Loud loud loud loud loud loud loud loud

Donâ€™t turn it down down down

Ta ta ta ta ta da da

Fly, flying high, through the sky

On the beat of my favorite song

Flying high, through the night, ah

Loud loud loud loud loud loud loud loud

Donâ€™t turn it down down down

Loud loud loud loud loud loud loud loud

Donâ€™t turn it down down down

Up, DJ turn it up

Loud loud loud loud loud loud loud loud

Donâ€™t turn it down down down

Up, DJ turn it up

Loud loud loud loud loud loud loud loud

Donâ€™t turn it down down down

Up, DJ turn it up

Loud loud loud loud loud loud loud loud

Donâ€™t turn it down down down

Ta ta ta ta ta da da
